

Trendsetter Awards

What do we look for in a Trendsetter Nominee?

ELEVATE
Awards

Megaproject of the Year:

This accolade recognizes a large, complex megaproject that demonstrated:

- Superior performance of project management practices
- Superior organizational results
- Productivity improvements enabled by Command Alkon technologies
- Positive impacts on society

Innovation in Digitization

This accolade recognizes Command Alkon customers who demonstrate forward-thinking in adopting automation in order to achieve simplification and visibility in their operations and have demonstrated excellence in one or more areas:

- Impacts the industry by being a leader in implementing technology in their operations
- Automation adoption
- Streamlined processes using technology
- Achieved visibility through integrating multiple Command Alkon products and/or the CONNEX Platform
- Technology adoption to modernize facilities

Going for Green Award:

This accolade recognizes Command Alkon customers who demonstrate efforts to improve their operations using green practices and methods:

- Measurable reduction in paper
- Measurable reduction in water (wasted)
- Measurable reduction in emissions
- Measurable reduction in other natural resources

Change Agents of the Year:

This accolade recognizes Command Alkon customers who have improved organization strategic outcomes in one or more areas:

- Improving internal and external communication around strategy.
- Strategic alignment of people, processes, and strategy.
- Effective use of performance measurement, analysis, and reporting to improve fact-based decision-making.
- Sustainable change in the organization's ability to transform and adapt to changing internal and external circumstances.
